CASE STUDY

**Shorr Enabled a  
Transportation  
Company to Save  
38% in Monthly  
Supply Costs**

**+** A transportation company wanted a more cost-effective solution to manage their supply needs without compromising the quality of the products in transit. They knew they needed a dependable partner who could help them optimize their supply costs while ensuring consistent results. Shorr introduced its private label brand, ShorrExpress®, which is always in stock and ready to ship in our warehouses across the nation. As a result, the transportation company could purchase the required product quantities while increasing savings, streamlining logistics, and strengthening operational efficiencies.

**ShorrExpress:  
always quality,  
always affordable,  
always available.**

partner for businesses of any size.**

# Shorr's experience and strategic solutions delivered impactful results.

## **+** With You The Whole Way

As a trusted partner, Shorr provides customers with quality and reliable products that support our customers' packaging needs with custom solutions to elevate their business.

## Shorr helped identify a cost-efficient solution that boosted ROI

With ShorrExpress, the customer saved 38% on their monthly supply spend, allowing the customer to redirect funds toward other growth initiatives, like expanding inventory or innovating technology.

## Optimize Operations with Shorr's eCommerce Platform

Shorr's goal is to ensure customers have access to the same quality and reliability trusted by industry leaders, without overhead. After learning the customer's objectives, Shorr onboarded the customer to its eCommerce platform, ShorrExchange, allowing them to further streamline operations, minimize product overstock, and allow the customer to place orders online when needed.
